About Us

Our company, Arihant Maxsell Technologies Private Limited, has built a solid reputation for itself in the current, fiercely competitive market. Since the year 2004 when our business was founded, we have established ourselves as a top manufacturer and supplier of premium goods. Our distinctive product line, which includes MX 600 Desktop Bundle Counting Machine, Aurum Gold Testing Machine, MX LC Series Laser Cutting Machine, MX-GT Karat Gas Proportional Gold Analyzer, LM 7 Laser Marking Machines, and many more, has earned the confidence of customers from a variety of industries. In our facilities, the products are processed with care and accuracy before being tested in compliance with the strictest quality standards. Additionally, we consistently keep the prices of our premium quality products as reasonable as possible.

Our company, Arihant Maxsell Technologies Private Limited is well recognized in the market because we put a lot of effort into meeting the unique demands of the customers with the finest solutions. We start by thoroughly analysing the requirements of the clients in order to give them the best products. Our premium quality product line, which includes MX-GT Desire Plus SDD Gold Analyzer, MX CC 400 Portable Coin Sorting Machine With LED Display, MX LW 5i Laser Welding Machine, MX 600 ACE Note Counting Machine, etc., has consistently received praise from plenty of customers. Moreover, to process our unique product line, we have high-end machinery installed at our facilities which is located in the city of Chennai, Tamil Nadu, India.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	xrf analyzer,laser marker,fiber laser marker,laser marking machine,jewelry laser welding machine,gold testing machine,gold purity tester,gold purity testing machine
No of Staff	40
Year of Establishment	2004
OEM Service Provided	No
Memberships	xrf analyzer,laser marker,fiber laser marker,laser marking machine,jewelry laser welding machine,gold testing machine,gold purity tester,gold purity testing machine
ProductRange	xrf analyzer,laser marker,fiber laser marker,laser marking machine,jewelry laser welding machine,gold testing machine,gold purity tester,gold purity testing machine
